This is a one time event for the public so primitive dress will be expected during public hours. Setup begins at noon Thursday and we would prefer no breakdowns before 3:00 PM Sunday

## Jambo Creek Rendezvous Rules

1. Setup begins at noon on Thursday. If you need to start setting up earlier, contact Curt (the Booshway) or Paul. Since this will be open to the public on Friday, anyone coming in during public hours will be expected to unload and remove their vehicles from camp as quickly as reasonably possible. In other words NO 3-hour setups with the vehicle in camp without an extremely good reason during public hours.
2. Public hours are Friday, 10:00 AM until 6:00 PM, Saturday 9:00 AM until 6:00 PM, and Sunday 9:00 AM until 4:00 PM.
3. Since this is a "Show and Tell" you will be expected to be properly dressed during public hours and all non-period items should be out of sight.
4. Official camp breakdown is at 4:00 PM Sunday, however we can be flexible. If need be you can start breaking camp sooner, however NO VEHICLES in camp before 3:00 without first contacting the booshway.
5. Firearms cannot be fired at this rendezvous except as designated by the booshway because of insurance problems. There will be weapons demonstrations for the public and they will be controlled.
6. Quiet time is from 11:00 PM until sunup.
7. Any questions, problems, etc., talk to the Booshway; we can work out most anything.
8. Enough said, now let's have a good time.
